The Multiple Award Schedules program offers the following benefits:

- Your selection is based on “Best Value”.
- An unimpeded relationship between the agency and the contractor.
- Competition requirements have been met (FAR 6.102(d)(3) when at least three schedule contractors are contacted.
- Authorized price lists reflect ceiling pricing - ask for additional discounts.
- Requirements to synopsise in the Commerce Business Daily have been met.
- Schedule orders count towards Small Business Goals.
- Blanket Purchase Agreements can be used to customize your solution.
- Contractor teaming arrangements allow a total solution approach to meet your needs.

GSA's Federal Supply Service Multiple Award Schedule program harnesses the power of service contracting by delivering comprehensive solutions that meet your agency's needs!

With the emphasis on downsizing government, agencies are now required to do more work with fewer resources. GSA schedules help you to outsource appropriate tasks and let your agency focus on its critical missions and core capabilities. We've cut the red tape so you can achieve your goals and stay within budget.
